September 12, 2011

Dear Patron,

Farmers Elevator Company of Traverse has been working on and is ready to offer to you an investment opportunity in the elevator. Over the last year we have worked with our attorney to draw up the needed documents to offer this to you. There will be a few guidelines in order to invest:

1. There will be two times per year offered to invest—  
starting January 15, 2012 and July 15, 2012.  
Any monies given before these dates will not start accumulating interest until these dates.
2. The minimum amount to invest is \$5000.00
3. You can chose a one year promissory note or a two year promissory note.
4. Interest rate will be 2.5%
5. Interest rate will be set at the time of investment and will carry through the term of the note.
6. You will be issued a 1099 at the end of each year for the interest you have accumulated for that year.
7. You can withdraw your monies only at the end of the note period.

We understand that there will be questions and the need for more clarification on this opportunity, so please feel free to call Al or Tammy at the office to get this information.

Thank you for your continued support and business.
